FACTS ABOUT FINFISH AQUACULTURE

Additional information and references to the FEAP infographics

Version 1.0 (November 2019) Author: Fabrice Stroiney

FISH FARMING PRODUCTION

[illegible]

[illegible]

Table 1. Production volumes of the top ten European finfish aquaculture species and FEAP members' production, averaging between 2014-2018 (tonnes)

	Total production (tonnes)			FEAP members' production	FEAP members' share of total production
	Farmed production	Capture production	Total production	Total production	
[illegible]	[illegible]	[illegible]	[illegible]	[illegible]	[illegible]
