

Grieg Seafood

Rooted in nature -farming the ocean for a better future

Brussels, Hotel Renaissance
29th November 2018

A close-up shot of a person's hand holding a white rectangular sign. The sign has the text 'Grieg Seafood®' printed in a bold, dark blue sans-serif font. The hand is positioned at the top left of the sign, with fingers spread. The background is dark and out of focus.

Grieg Seafood®

A vertical blue surface, possibly a door or a wall, with the words 'Open', 'Caring', and 'Ambitious' written in white cursive script. The words are stacked vertically. The surface has some texture and a few small white specks.

Open
Caring
Ambitious

What it's all about

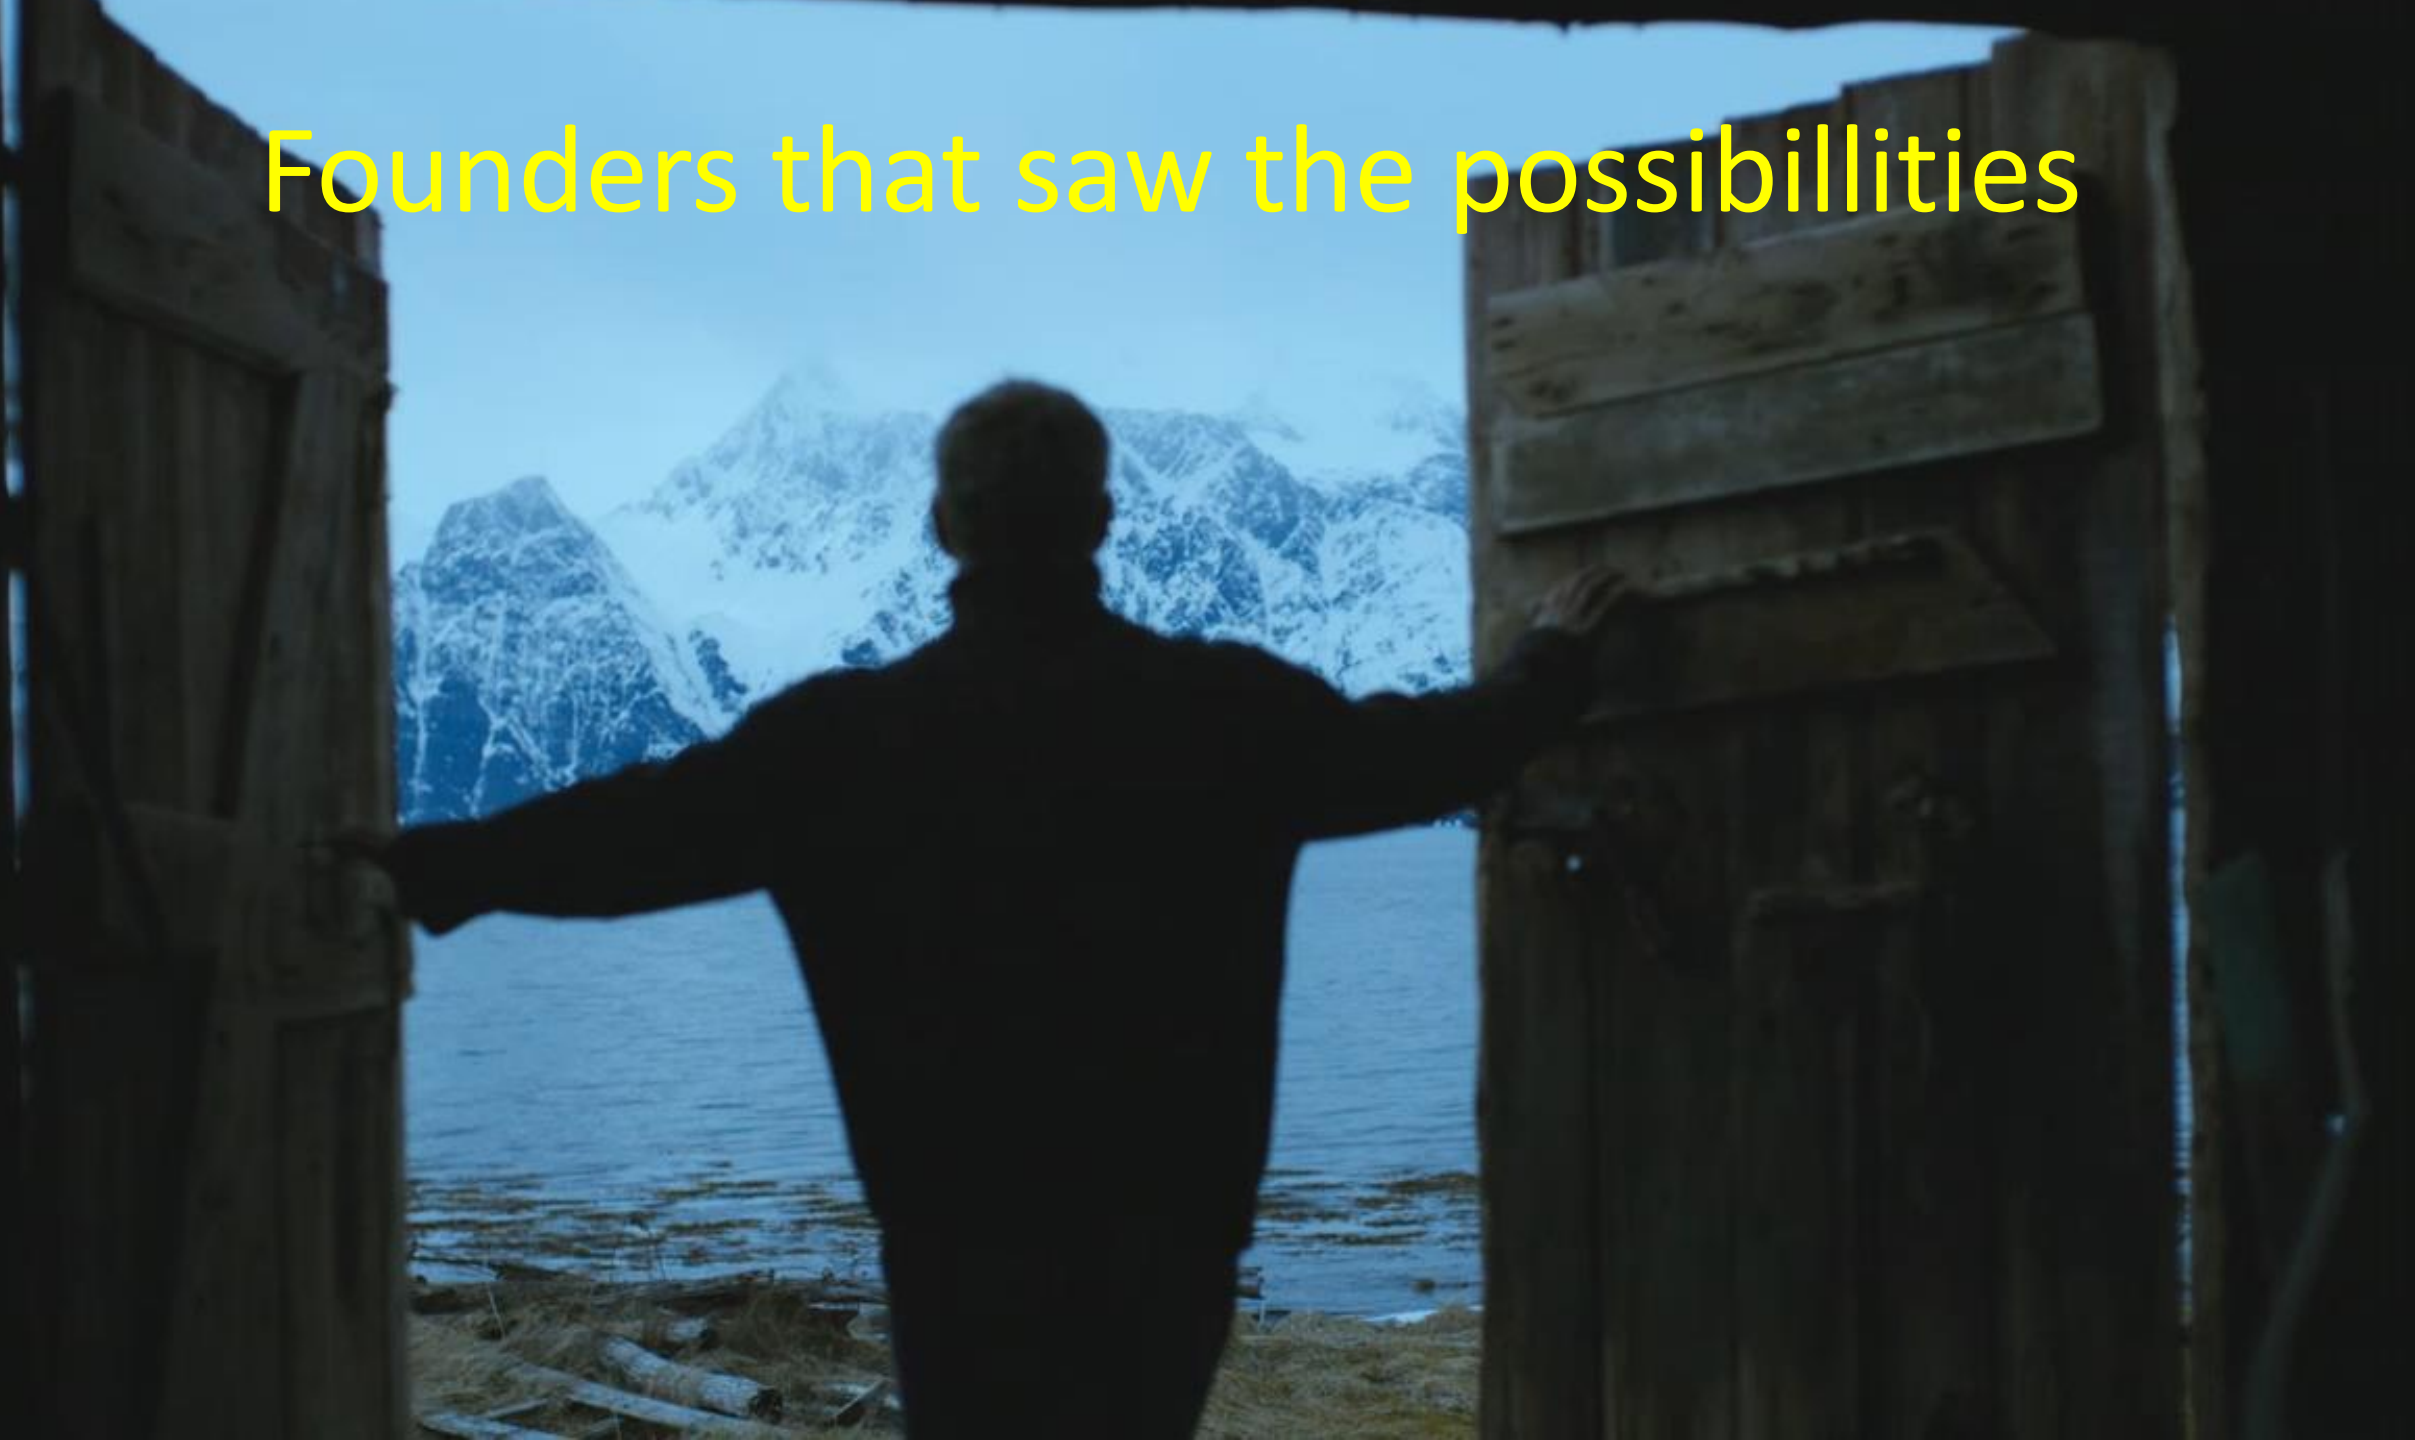

Where it all begins

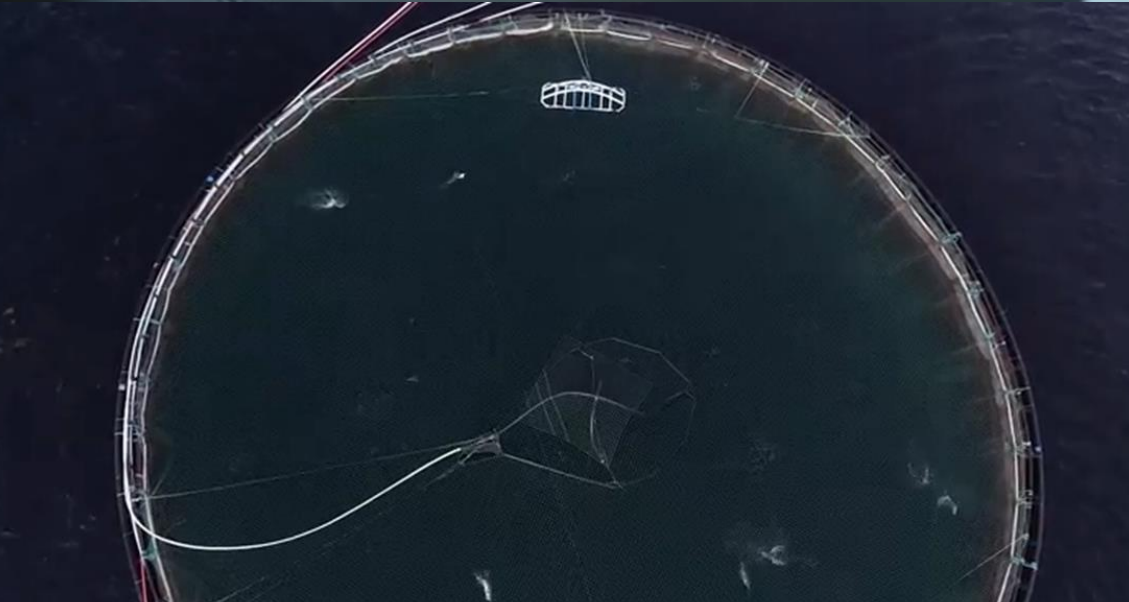

Great locations!

Founders that saw the possibilities

Effective production

Industrialization and automation

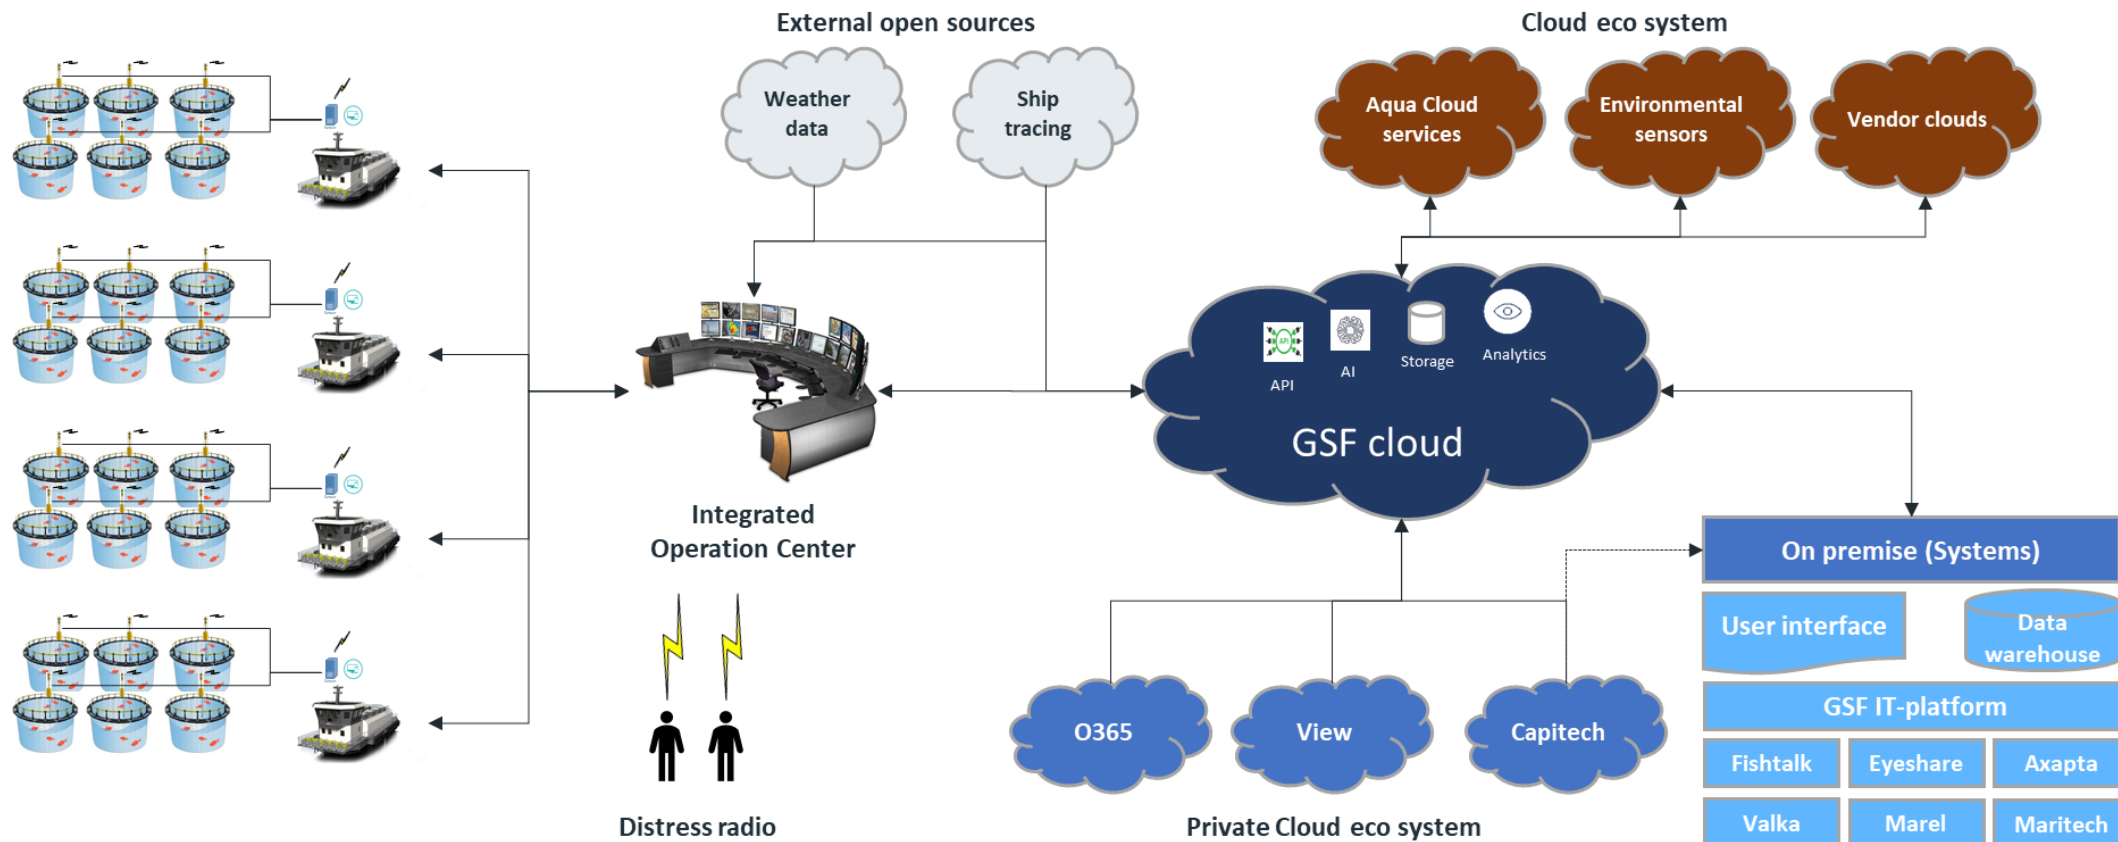

Sustainable principle

Digitalization

Illustration digital setup:
- from sensor to decision

Facts	IOC	External open sources	Cloud eco system	GSF Cloud	Sources / Data
<ul style="list-style-type: none"> - 4 regions - 56 active sites - 373 cages active - Xⁿ measuring points 	<ul style="list-style-type: none"> - Rogaland - Remote feeding in regions - <i>All systems controlled by one non-proprietary control center</i> 	<ul style="list-style-type: none"> - Open sources i.e. weather data to enrich our own data 	<ul style="list-style-type: none"> - Industry partners provide information thru cloud services - I.e. Aqua cloud lice prediction 	<ul style="list-style-type: none"> - Data storage - Integration engine - Insights - Decision support 	<ul style="list-style-type: none"> - Sensors (Measure points) - Cameras (streaming) - Feeding profiles - Legacy systems - Private cloud

Atractive businessfor comming generations !!!
