

WORLD CAVIAR FORUM Seafood Expo Global Barcelona – May 6th, 2025

Organised by the Federation of European Aquaculture Producers.

Background

The first World Caviar Forum was held in Brussels on May 7th, 2019, alongside the Seafood Expo organised in Brussels. Gathering caviar producers together had been very valuable, therefore 6 years later, the FEAP Sturgeon commission is pleased to reconvene the World Caviar Forum at the Seafood Expo Barcelona on **May 6th, 2025, from 15:00-18:00 (CEST)**.

Workshop Objectives

The workshop aims to delve into the future of caviar production by:

1. showing the evolution of global Caviar Production and Market Trends: From Wild Capture to Aquaculture
2. identifying current challenges and needs
3. encouraging questions, ideas and feedback from participants
